

Natural and Organic Skin Care

Happy Feet Foot Lotion

Combines the foundation ingredients and benefits of our hand & body lotions. The addition of peppermint, tea tree and lemon essential oils enhances the effectiveness of Happy Feet with their anti-bacterial and uplifting properties.

Unscented Hand & Body Lotion

offers the same emollient properties and benefits of our other hand & body lotions, and is free of essential oils, appealing to those who prefer to avoid scented skin products.

NaturEssence Hand & Body Lotion

A luxurious natural herbal lotion that does more than moisturize your skin. This synergistic formula combines herbs traditionally used to strengthen the skin with the best cold pressed carrier oils and essential oils available. Use NaturEssence lotion whenever you want to effectively treat dry, cracked skin. It is good for the entire family.

Gentle Firming Eye Cream

Our Eye cream is just that – gentle and firming. No heavy or harsh ingredients are used, only light yet effective ones for this most delicate part of the face. Both chamomile and rose hydrosols, as well as essential oils are used in this cream that help to reduce puffiness, and protect and nourish your skin. May be used for the entire face if desired.

Naturrose Face Cream

is a very effective, luxurious and unique herbal moisturizer for both day and night use. It contains precious organic rose hip seed oil and other very high quality oils, along with the best green tea extract available that, together, care for and preserve your delicate facial skin. The best essential oils for facial care complete this facial cream and the result is a lovely product that can be used by all skin types. Naturrose may also be used as a neck cream.

Natural Sun Lotion

Created to soothe, nourish and protect your skin for outdoor use, Natural Sun is your alternative to chemical products. Zinc Oxide, which refracts the sun's rays, is combined with green tea extract (an anti-oxidant and cell regenerator), shea and mango butters, and other helpful ingredients. The result is an effective lotion that is good for the entire family. Health Canada's new regulations now forbid the listing of a natural product's SPF or of any therapeutic claims.

Beaulance Lip Balms

are truly effective in moisturizing and protecting the lips from the effects of all seasons, including cold and dry conditions of Winter, as well as the sunny, hot days of Summer. They offer a pleasing sheen to the lips and an effective base to lip sticks that tend to have a drying effect.

SkinSoothe Lotion (formerly EczemEase):

Now in lotion format, SkinSoothe includes an excellent array of herbs and oils that provide effective temporary relief from various skin irritations.

Sea Rose Cleanse Lotion

is a non-soap PH-balanced herbal facial cleanser that lightly moisturizes as it naturally cleans the skin. Bladderwrack provides valuable minerals to strengthen the skin as witch hazel herb and distillate offer astringent and anti-bacterial properties. This lotion incorporates precious organic rose hip seed oil that is rich in EFAs and vitamins and nourishes the skin. An effective cleansing lotion that does not dry out your skin, good for all skin types.
